 - Specific instructions and mailing address will be sent upon registration.
 - You will be asked to send one check for all of the registration fees for each class selected (made out to Libertas Scholars).
 - You will also be asked to send **\$100 of tuition** to each individual tutor. For early registration discount, the envelope must be postmarked by 2/28.
- **Cancellations**
 - We will do everything possible to keep all classes that are currently on our schedule. However, on March 30th, tutors do have the option to cancel a class if there are not a minimum of 5 students enrolled (registration fees will be refunded).
- **Class Confirmations**
 - Parents will receive final class confirmations and tuition totals by **March 30th**
 - Full tuition is due at that time. For your convenience, tutors will accept the remaining tuition in two installments- July 1 and Dec. 1
 - Dropping a class- **Please remember that our tutors are committing to our Libertas community based on the student enrollment in each class. Classes are confirmed based on that enrollment. Your commitment to the tutor is not only for your student but for all those in the class.** If withdrawal from a class occurs after March 20th and prior to September 7th, the family will owe the **entire 1st installment of tuition**. If withdrawal occurs after September 7th, then the **2nd installment** will also be owed to the tutor.

I have read the above and agree with the payment process outlined. I understand that withdrawing my child from a class after **March 20th** requires the first semester of tuition. I further understand that withdrawing my child from a class after September 7th requires the entire year of tuition.
